

# Electronic Voting Machine— E V M

## Commissioning Of EVMs

Electronic Voting Machines are used for the election to all local LACs in the State. In Ernakulam there are 2027 Polling Stations in District . In addition to these at least 30% of this shall be earmarked as reserve. 10% shall be set apart for training purposes. Additional Machines needs to be given to remote and inaccessible polling.

Commissioning of EVMs consists of

- **First Level Checking (FLC)**
- **First Randomization**
- **Second Randomization**
- **Preparation of EVMs (Candidate Setting)**

## First Level Checking (FLC)

FLC is done by the engineers from Electronic Corporation of India Ltd (ECIL). They check all machines and defective are segregated. The real time clocks have been corrected and stickers and pink pa-

per seals are affixed. After FLC 10% of machines

randomly selected have been checked by conducting a mock poll.
